Fax: 601-965-4023

Contact Micah Taylor, LMSW at
your local Vet Center for more
information or appointment.

Military Sexual Trauma Wednesdays @ 2PM

The purpose of this group is to provide support and information
for women who have experienced Military Sexual Trauma.

Difficulties after MST can include strong emotions, feelings of
numbness, trouble sleeping, concentrating and relationships. It
can also include difficulty with things that remind you of your
experience and problems with alcohol and other drugs. Add
value back to your life! These services are free and confidential!
